

## Directions to VIMS and CBNERR Building

*From York County and points south of the York River:*

1. Take Route 17 North toward the Coleman Bridge
2. Pay toll for the bridge (\$2.00 without EZ pass, you need to be in far right lane to pay toll without an EZ pass)
3. Turn Right onto Greate Road
4. Follow directions below from Greate Road

*From Gloucester County and points North of the York River:*

1. Take Route 17 South toward the Coleman Bridge
2. **Do not** cross the Coleman Bridge
3. Turn left onto Greate Road
4. Follow directions below from Greate Road

From Greate Road:

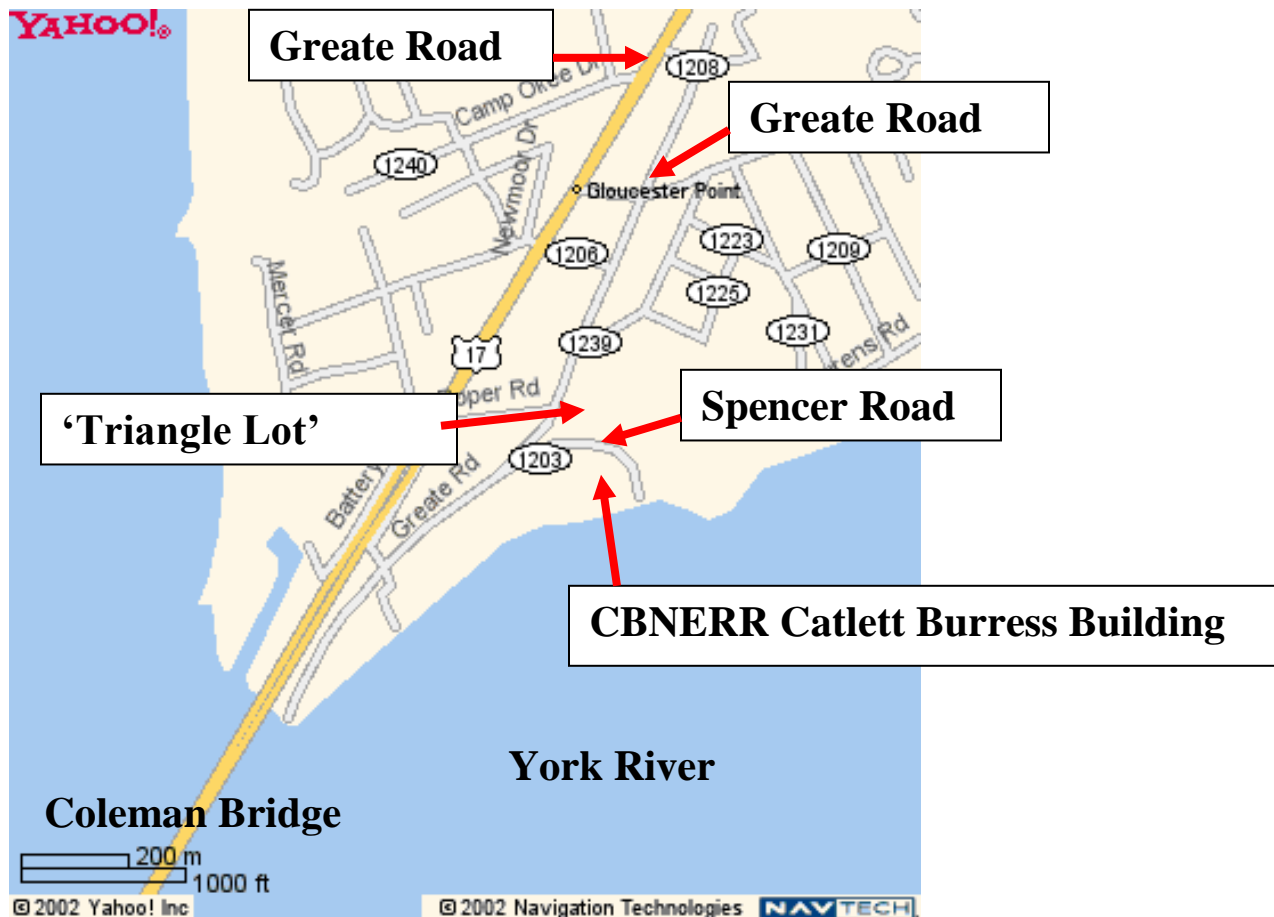

1. Turn right at the “T” in the road onto Greate Road.
2. The ‘Triangle’ Parking lot is the first big parking lot on the left as you enter the VIMS campus. The Triangle lot is just past a brick VIMS sign on the right and is in front of a big brick building. Park here.
3. Spencer Road is the road running directly behind the t-lot. Walk down Spencer Road about 0.1 miles to the white building with the large red circles on it. The building is on the right. This building is the Chesapeake Bay National Estuarine Research Reserve (CBNERR) Catlett Burress Research and Education Laboratory. Camp will be held in the Lab’s education classroom, room 101.

More directions to VIMS and a map of the VIMS campus can be found at the following web link:

<http://www.vims.edu/about/visit/directions/index.php>

**If you get lost:**

Call Sally Lawrence at the CBNERR front desk: 804-684-7135 or the VIMS Front Desk: 804-684-7000

**VIMS address:  
Route 1208 Greate Road  
Gloucester Point, VA 23062**

**Gloucester Point Map: Larger Scale**
